## Benefits of UnDigital

- ✓ Elevate your most important touchpoint
- ✓ Deliver activity-based product suggestions
- ✓ Include a handwritten note (automatically)
- ✓ Create something your customers want to share
- ✓ and so much more!

The screenshot shows a personalized unboxing experience for a customer named Jessica. It features a header with a photo of Jessica and the text "How to Get the Most Out of Your Revitalizing Eye Cream". Below this, there are instructions: "Pat gently around the eye area" and "Use in the morning and evening". To the right, there's a section titled "Jessica, You've Earned 103 Points" with a sub-header "Join our Beauty Club to claim your points and earn more of what you love." Below this, there are three icons: "SHOP" (Earn 1 point for every dollar spent), "ENGAGE" (Share on social for bonus points), and "SAVE" (Use your points for exclusive savings). A QR code is provided to "Scan to join our Beauty Club". At the bottom, there's a "#BEAUTYCLUB" section with the text "Share your experience with our community" and a row of photos showing people using the products.

See why leading Ecommerce brands schedule, publish, and test their unboxing campaigns with UnDigital.
